

# 18. STAY GLAD 20. DREAM GOOD 26. DANCE BETTER

*~three of Woody Guthrie's New Year's "Rulins" for 1943*

## XX. PAINT BEST

Each new year, I think about resolutions as a way to shape the coming months. Such a surprise to discover that *resolution* means at heart to "release, unbind, untie, solve."

I'm adding another resolution to this short borrowed list. PAINT BEST could mean a lot of things. I'd like to explore it in the context of *resolution*: release-unbind-untie-solve. See if PAINT BEST promotes STAY GLAD, DREAM GOOD, DANCE BETTER. And consider their cumulative power to release tired habits.

Join me in February to put PAINT BEST to your stayglad-dreamgood-dancebetter test.

*This class is suitable for seasoned painters and daring beginners.  
It alternates painting exercises and open painting.*
